

# Papakura District Crime Report

Q2 2025

## What is the NSPD?

Neighbourhood Support is a nationwide community-led movement that brings people and neighbourhoods together to create safe, resilient, and connected communities. We believe that a well-connected community helps to improve safety, resilience, and wellbeing for all.

The Neighbourhood Support Papakura District (NSPD) is the primary branch for the Papakura area. To learn more, visit our [website](#) and [Facebook page](#).

## What is this Report?

The NSPD receives a weekly offences report from Police Headquarters in Wellington, which contains property offences for Counties/Manukau. The report contains information such as time, day, street, and descriptions of offences. We select the non-commercial property offences reported to the Papakura Police Station and present the data in an easy-to-understand format.\* Our goal is to achieve three outcomes:

### Our Reporting Goals

**1**

**To identify crime trends district-wide.** By understanding the rates and types of crime, all District residents can deploy their resources to make their best efforts to bring down crime rates.

**2**

**To identify crime trends for specific neighbourhoods.** With accurate information, neighbourhoods can take specific actions to reverse crime trends.

**3**

**To combat misinformation.** Social media often exaggerates crime statistics. By publishing accurate crime statistics, we hope to fight against false claims and mischaracterisations around crime and give residents accurate information to help make their own security decisions.

\*All data within the Wellington report is given under strict protocols and can't be shared wholesale. Only NSPD personnel who have been police vetted can access the raw data from the report.

# Crime Types

The NSPD Crime Report covers offences from the following eight crime categories. Understanding them and their differences will help you better interpret the data presented in the Crime Report. We've combined and simplified these categories so they are more easily understandable by the public. We also list common examples of offence types we use to define each category.

**Robbery**— Robbery is the unlawful taking of another person's property with the intent to permanently deprive them of it. Robbery involves the use of force, threats, intimidation, or violence against the owner or another person present. In essence, it is a theft that is committed with force. Examples: Any offence description that contains the term: "ROBBERY", "ROBS", "AGGRAVATED ROBBERY", "OTHER ROBBERY".

**Theft**— Theft is the unlawful taking of another person's property with the intent to permanently deprive them of it. In theft cases, the perpetrator takes the property without the owner's consent. Note: many of the offences in the Theft category include theft *from* a vehicle, as opposed to taking the vehicle itself. These are covered under "Vehicle Theft" (see below). Any offence description that contains the term: "THEFT".

**Burglary**— Is committed by anyone who enters any building, or part of a building, without authority and with intent to commit any offence that could lead to imprisonment. Any offence description that contains the terms "BURGLES" or "BURGLARY".

**Vehicle theft**— Involves an intention or act of taking or borrowing a vehicle without consent. It does not include theft **FROM** a vehicle. (see "Theft" above). Example offences: "UNLAWFUL TAKES MOTOR VEHICLES", "UNLAWFUL INTERFERES MOTOR VEHICLES", "ATTEMPTED UNLAWFUL TAKING OF A MOTOR VEHICLE", "POSSESS INSTRUMENTS FOR CONVERSION".

**Manner of driving**— Driving a vehicle in a reckless or unsafe manner. Example offences: "SPECIAL VEHICLE LANE", "CARELESS DRIVING", "UNSAFE PASSING", "UNSAFE CHANGING OF LANES", "FOLLOWED TOO CLOSE".

**Destruction of property (Wilful Damage)**—Intentional or reckless damage to or destruction of property. Example offences: "WILFULLY DAMAGE", "GRAFFITI", "INTENTIONAL DAMAGE" or "ARSON".

**Disorderly behaviour**—Socially unacceptable behaviour in a public place, or within hearing or view of a public place. Example offences: "DISPLAY GANG INSIGNIA", "FIGHTING", "SET OFF FIREWORKS IN PUBLIC PLACE", "INSULTING LANGUAGE", "RESIST POLICE".

**Car—Related Offences**—We define this category broadly as any offence that directly or indirectly involves a vehicle, bicycle, boat, etc. Example: "FOLLOWED TOO CLOSE", "UNLAWFUL TAKES MOTOR VEHICLES", "THEFT EX VEHICLE".

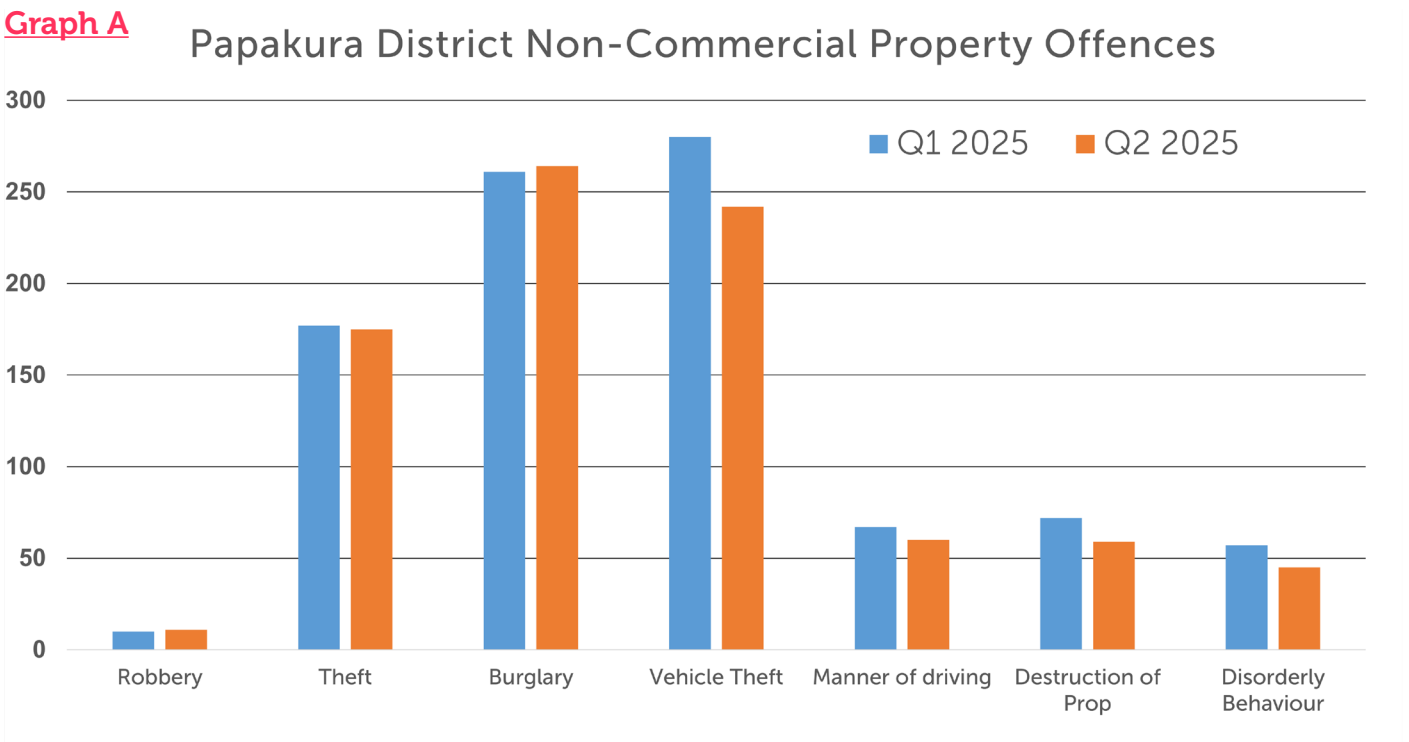

# Q1 2024 vs Q2 2025 Offences

**Table A** shows total number of non-commercial property offences reported for the Papakura District for Q1 and Q2 of 2025.

| Quarter | Robbery | Theft | Burglary | Vehicle Theft* | Manner of Driving | Wilful Damage | Disorderly Behaviour | Other | Total |
|---------|---------|-------|----------|----------------|-------------------|---------------|----------------------|-------|-------|
| Q1      | 10      | 177   | 261      | 280            | 67                | 72            | 57                   | 31    | 924   |
| Q2      | 11      | 175   | 264      | 242            | 60                | 59            | 45                   | 37    | 856   |

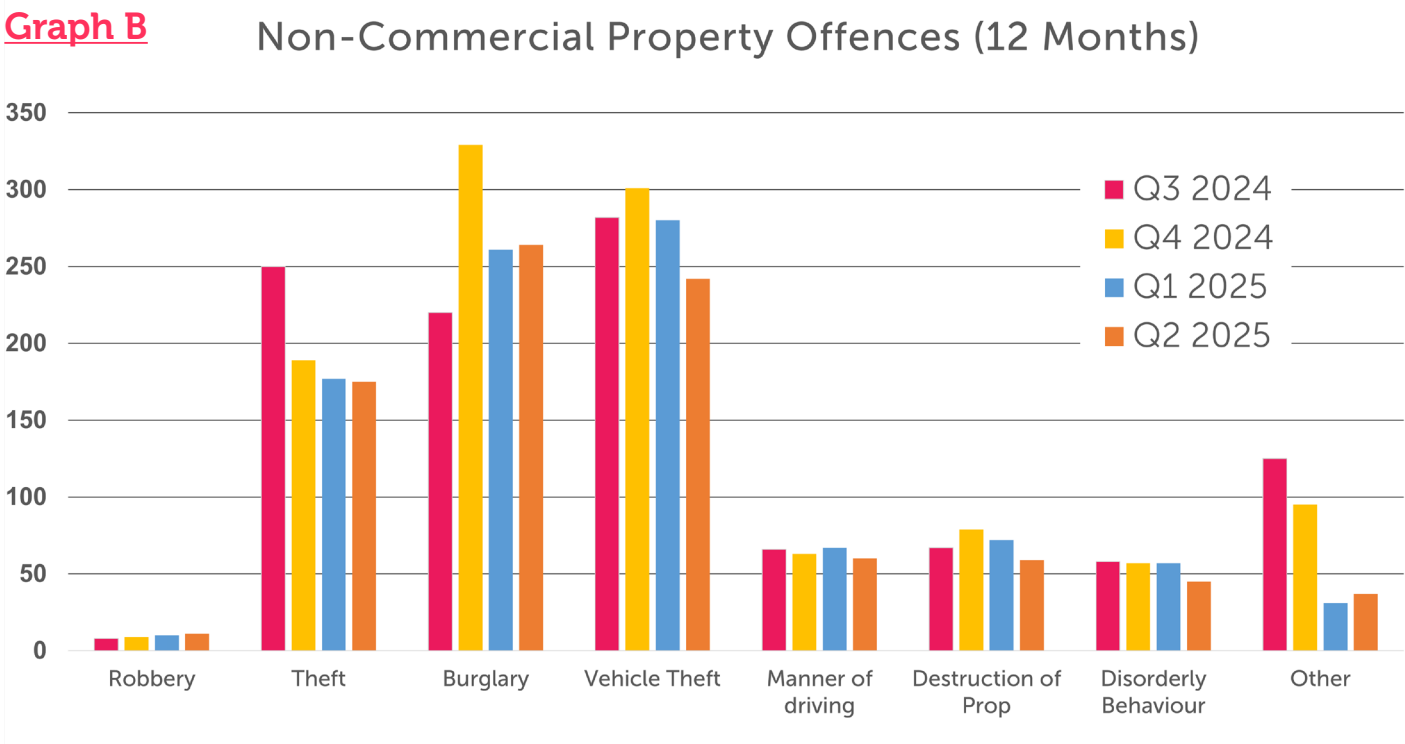

**\*Vehicle Theft**— Involves an intention or act of taking or borrowing a vehicle without consent. It does not include theft FROM a vehicle. (see "Crime Types, Pg 2).

**Graph A** shows total number of non-commercial property offences reported for the Papakura District for Q1 and Q2 of 2025. Does not include "Other" category.

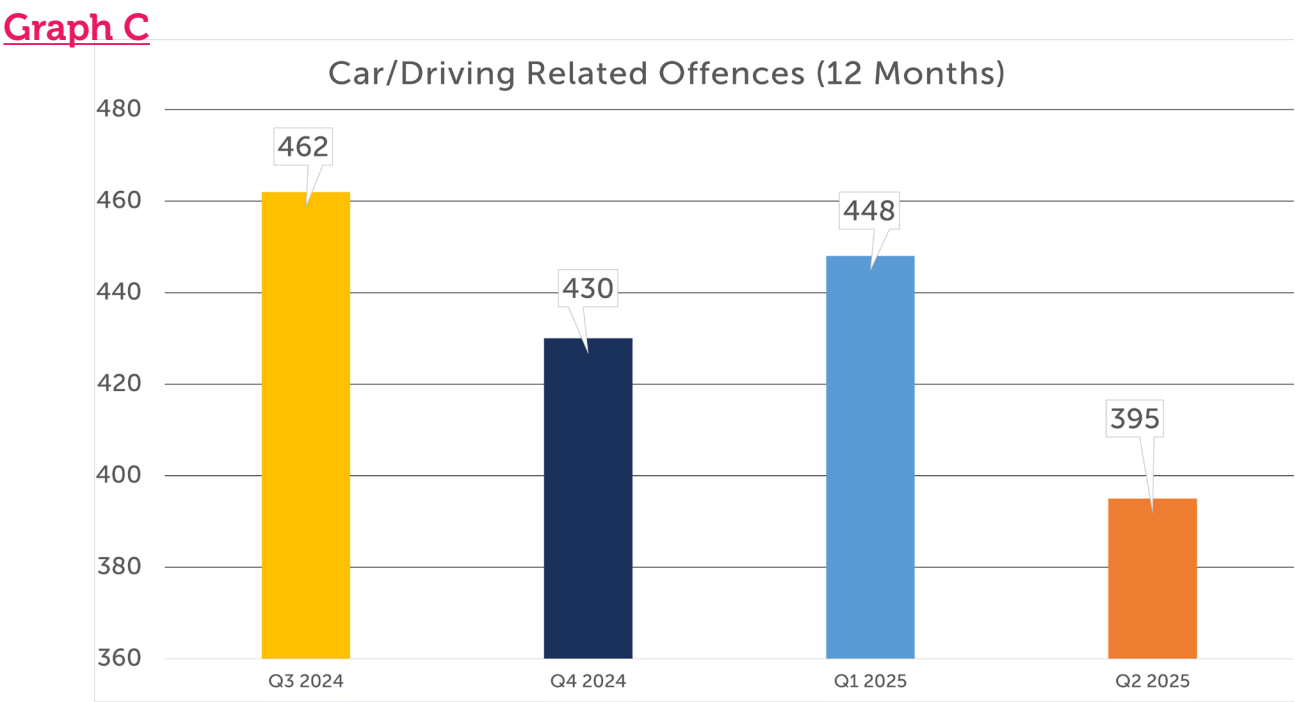

# Non Commercial Property Offences (12 mos)

**Graph B** compares total number of non-commercial property offences reported for the Papakura District for the last four quarters (12 months).

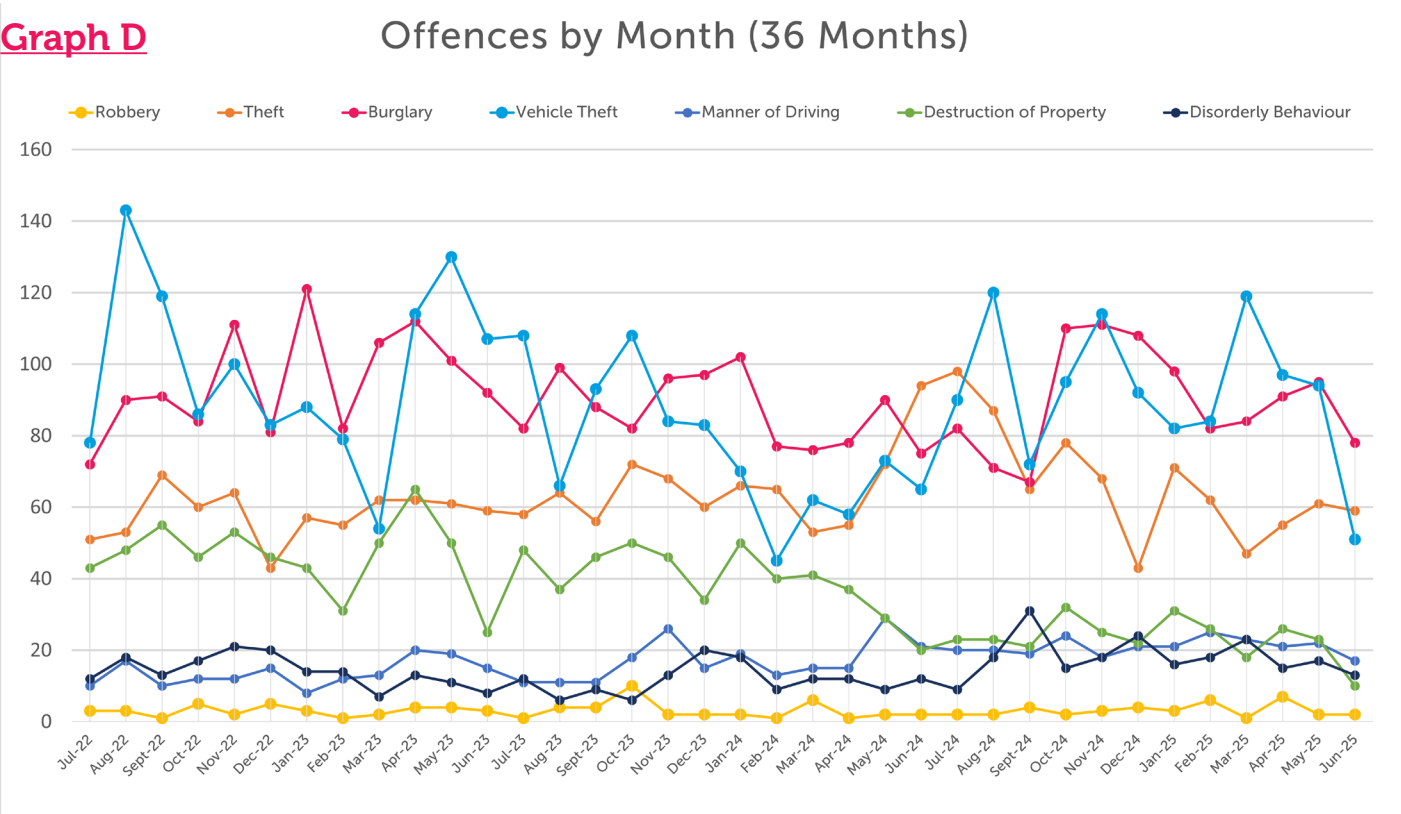

## Car/Driving Related Offences

**Graph C** compares total number of car and driving-related crimes reported for the Papakura District for the last four quarters (12 months). Offences include traffic violations like speeding and car theft/conversion.

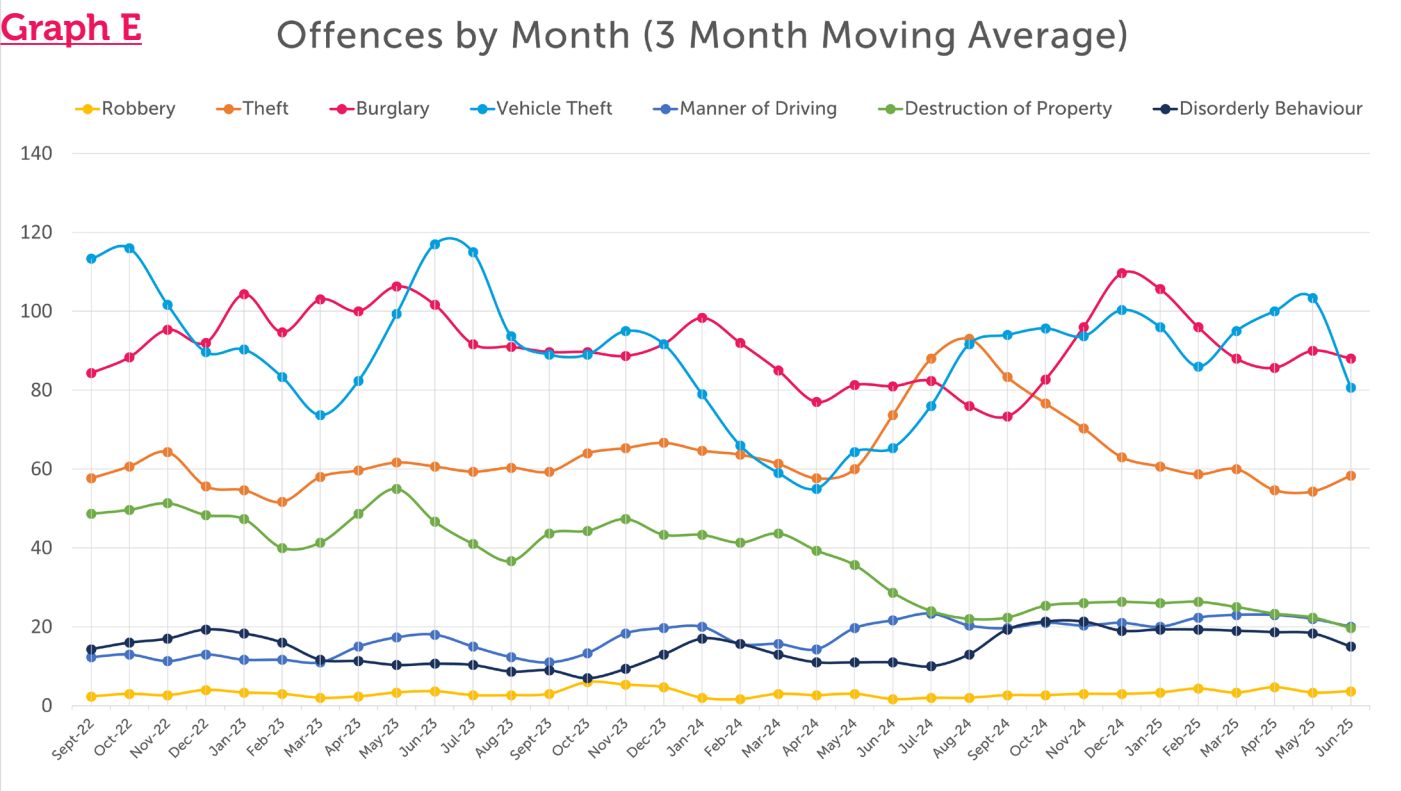

# Offences by Month (33 Months)

**Graph D** shows monthly totals for all non-commercial property crimes for each category for the last 36 months.

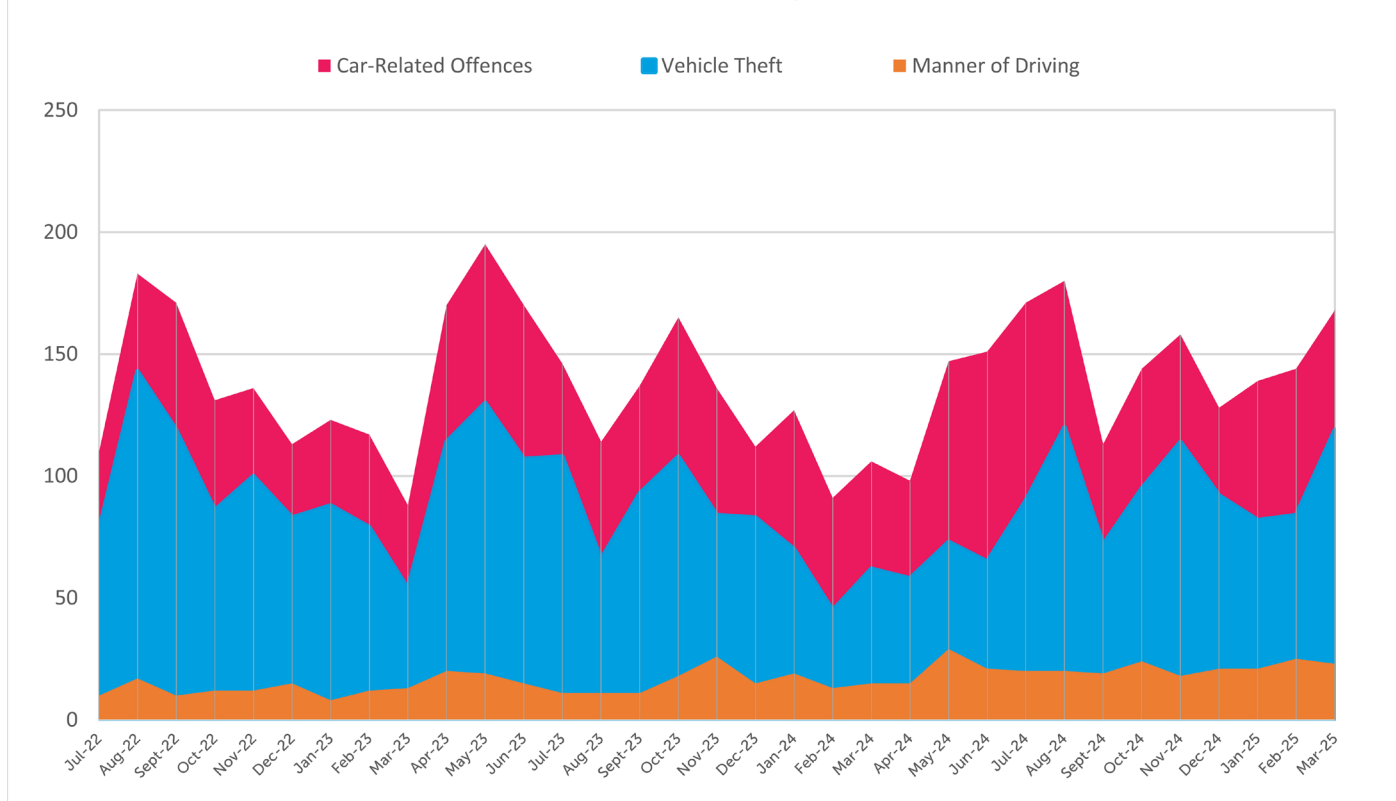

**Graph E** shows a three month moving average of all non-commercial property crimes for each category beginning with the first full quarter of 2022. The chart smooths out short-term fluctuations and highlights longer-term trends in the data.

**Graph F** Compares Vehicle Theft & Manner of Driving rates to the total number of Car-Related offences for the last two years. Vehicle Theft follows a similar trend line to the total and makes up a significant portion of the total car-related offenses.

**Graph F** Total Car-Related Offences by Month (36 months)

## Do your part. Report Crime.

Crimes that aren't reported, don't get counted. To keep crime stats accurate, it's important we all report crimes regardless of the likely outcome. Having the attitude of "The police can't or won't do anything" only ensures your crime isn't part of the database, which police use to identify "hotspots" and curtail overall offences. You never know, your reporting might help prevent a crime from happening to your neighbour.

### Reporting a Burglary:

Dial 111 if a crime is happening.

Dial 105 if the crime has happened.

Or report online at [police.govt.nz/use-105](https://police.govt.nz/use-105).

# Crime Trends Analysis

Below is a high-level, easy-to-understand analytical report based on the crime data for the Papakura District for Q2 2025 and the last 36 months. Please remember that correlation does not always imply causation. Nonetheless, these observations can help guide community awareness and preventive measures.

## Offence Category Trends

- Robbery incidents slightly increased, with a notable rise around Easter.
- Thefts slightly decreased, likely due to better security and community vigilance.
- Burglaries spiked in May, then fell significantly in June.
- Vehicle thefts saw a notable decrease compared to the previous quarter.
- Manner of driving offences fell, especially following police checkpoints.
- Wilful damage significantly decreased, reaching a record low.
- Disorderly behaviour had minor fluctuations, associated with public events.
- Car-related offences remained the largest category but decreased overall.

## Seasonal & Weather Impacts

- Winter (June–August): Increased theft from vehicles, with rain driving people indoors
- Summer (December–February): Higher burglary and disorderly behaviour due to longer daylight hours and holiday absences.
- Autumn (March–May): Shorter daylight hours increased evening burglaries.

## Calendar and Holiday Influences

- School holidays consistently correlate with higher burglary and wilful damage rates
- Public holidays like Easter, ANZAC, and King’s Birthday see rises in vehicle-related crime and driving offences.
- Daylight savings end (April) increased evening crimes temporarily.

## **Community Demographics & Socio-economic Factors**

Papakura's rapid growth (25.5% from 2018-2023) means more people and cars, increasing crime opportunities:

- Youth Population: Areas with younger demographics see more wilful damage and disorderly conduct.
- Rental Areas: Higher theft and burglary rates near rental-heavy zones.
- Economic Pressure: Higher crime rates in economically disadvantaged areas.

## **Recommendations for Community Action**

1. Enhance Vehicle Security: Use steering locks and secure parking, especially around transport hubs.
2. Promote Home Safety: Use timer lights and visible security measures to deter burglars
3. Support Youth Activities: Increase structured programmes during school holidays to reduce youth-related offences.
4. Continue Road Safety Campaigns: Regular police checkpoints during holiday weekends to maintain reduced driving offences.
5. Celebrate Success in Wilful Damage Reduction: Expand mural and community beautification projects to deter vandalism.

## **Crime Forecast for the Next 6–12 Months**

- Vehicle Theft likely to rise modestly in winter months.
- Burglary expected to spike during December–January school holidays.
- Driving Offences likely to increase around long weekends unless checkpoints continue.

## **How You Can Help**

- Report suspicious activity promptly.
- Secure your home and vehicle effectively.
- Participate actively in local community safety initiatives.

Working together, we can keep Papakura safe and welcoming for everyone.

## What can I do?

You can take actions now that will help lower your (and your neighbour's) risk of being a target of crime. Here are some online resources and tips. You can find many more on the Neighbourhood Support New Zealand [website](#).

## Join NSPD

Neighbourhood Support is FREE to join and offers lots of benefits:

- Have opportunities to connect with those around you.
- Receive emails with what's happening in your community.
- Get tips to improve the safety of your home and your community.
- Learn how to get prepared for emergencies.
- Be invited to attend community events organised by Neighbourhood Support.

By staying connected and supporting each other, we can make our neighbourhoods safe and welcoming for all.

Want to join the NSPD? Visit our [sign up page](#) or email us at [nspapakura@gmail.com](mailto:nspapakura@gmail.com)
